XXIV INTERNATIONAL CONGRESS ON CLINICAL HYPERTHERMIA

The meeting, sponsored by the International Clinical Hyperthermia Society, will be held in Rome, Sept. 24–29.

Contact Dr. Homayoon Shidnia, University Heights Cancer Ctr., 1502 E. County Line Rd. S., Indianapolis, IN 46227; or call (317) 887-7651; or e-mail shidnia@msn.com; or see <http://www.hyperthermia-ichs.org>.

CORRECTION

Gene-Expression Profiles in Hereditary Breast Cancer (June 28, 2001; 344:2028-9). On page 2029, the sentence that begins on line 33 of the right-hand column should have read, “We first used three methods to derive lists of genes: weighted gene analysis, permuted F tests and t-tests, and *total number of misclassifications* scoring,” not “*tumor-node-metastasis* scoring,” as printed. We regret the error.
